REQUIREMENTS

Thank you so much for thinking of Parrish Family Vineyard for your big day! We have a few venue requirements for all weddings taking place on our property.

Wedding Coordinator:

We do require a professional wedding coordinator for all weddings at Parrish Family Vineyard. Wedding coordinator must be on the property day of the wedding, and will need to be approved before booking. We have some great recommendations if you need!

Outside Vendors:

We have a great list of preferred vendors for all your wedding needs! If you wish to use vendors outside of this list, they will need to be licensed, insured, and approved by Parrish Family Vineyard.

Insurance:

A general liability insurance policy with a liquor liability endorsement to protect guests and the estate. We can recommend online vendors for this.

Wine Purchase:

We do require all weddings to purchase a minimum of 5 cases of wine from Parrish Family Vineyard.
