

Thank you for considering Parrish Family Vineyard to host your event. We have several event spaces that can fit your needs and look forward to creating a memorable experience for you and your guests.

Vineyard View Conference Room

We don't think that meetings should mean staring at a fuzzy screen under florescent lights. Instead, head out to wine country only 10 minutes from Paso Robles and have a brainstorm session walking through the vineyards and then roundtable in our conference room overlooking the vines.

The conference room seats 12 and includes all A/V equipment. An in-house menu and a preferred caterer list are also available.

The conference room is \$200 for two hours and includes equipment. Additional hours can be purchased at \$50 an hour. Sales tax is not included.

Bordeaux Banquet Room

This comfortable and charming room is available for any special occasions including anniversaries, birthdays, celebrations or rehearsal dinners.

The room seats 40 dining or 85 standing. There is also a large smart TV perfect for slideshows, live events or videos.

We can create a food and wine pairing experience with you or provide catering recommendations for events that require a particular palate. There is a two case requirement for the room and no outside alcohol is allowed.

The room is \$400 for two hours and \$100 per additional hour. Taxes (7.25%) and gratuity (20%) are not included.

Private Patio Parties

Our large patio space can accommodate 100 people seated and is available for rental depending on time of day, season and availability. It has incredible views of the vineyard and winery.

We can create a food and wine pairing experience with you or provide catering recommendations for events that require a particular palate.

The patio is \$1,000 for three hours and additional hours can be purchased at rate of \$200 per hour. There is a minimum purchase of three cases. Taxes (7.25%) and gratuity (20%) are not included.

Please note that we do not host weddings, but can do rehearsal dinners, bridal showers, etc.
