Thank you for considering Parrish Family Vineyard to host your event. We have several event spaces that can fit your needs and look forward to creating a memorable experience for you and your guests.

### **Vineyard View Conference Room**

We don't think that meetings should mean staring at a fuzzy screen under fluorescent lights. Instead, head out to wine country only 10 minutes from downtown Paso Robles and have a brainstorm session walking through the vineyards followed by a roundtable in our conference room overlooking the vines.

The conference room seats 12 and includes all A/V equipment. An in-house menu can be added to your rental. The conference room is \$250 for two hours and includes equipment. Additional hours can be purchased at \$75 an hour. Sales tax is not included. Gratuity is applied to wine, food and coffee service. Cleaning fee of \$30 applies if there is food consumed.

There is also a \$100 damage fee that is refunded following the event, if not needed. The fee is collected at time of booking and returned when final payment is made. A Parrish Family Vineyard manager will be onsite before, during and after the event to ensure all equipment is running properly and that all guests are comfortable.

### **Bordeaux Banquet Room**

This comfortable and charming room is available for any special occasions including anniversaries, birthdays, celebrations or rehearsal dinners.
